Motion to approve the August 4, 2026 minutes. Motion by Farrah Olson, second by Stacia Timmer. All ayes, motion carried.

Ally Williams, PM, provided highlights on the District 2 Quarterly Report, partner collaborations, and building partnerships across various community-based organizations to approve awareness of what the Disability Access Point is and to look for ways to improve access to services. Discussion was opened to the Council Members on community connections.

Angie Rodamaker, Program Manager, gave an overview of the SOAR program in which there is a SOAR Navigator in place in District 2.

Russell Wood, CEO, presented how CICS project managers are using an infrastructure that is a more formal approach to ideas to potentially help move projects forward to the end goal of a solution that could be used across the district or possibly even statewide.

Ally Williams, PM, shared that HHS is having the Districts collect feedback focused on system changes that have occurred over the last year through an online survey as part of the updating of the District Assessments. Ally encouraged the Council to share the online survey with their contacts.
