## Definitions

---

### Community Drop-In Services

*Serves those who have experienced mental/emotional problems; a comfortable environment within the community where individuals feel safe, supported, and accepted; the center can help individuals work on developing social and life skills by supplying the resources needed for them to lead their own recovery.*

### Supported Community Living Programs

*Assistance with learning skills such as cooking, cleaning and money management. These skills are taught one on one, in your home and in the community.*

### Mobile Crisis Services

*Teams of professionals provide on-site, face-to-face mental health services for an individual or family experiencing a mental health crisis. They can respond wherever the crisis is occurring – in an individual’s home, the community, or other locations where an individual lives, works, attends school, or socializes.*

### Residential Based Crisis Stabilization

*A place to stay during a mental health crisis. Private rooms are provided, as well as therapy, medication evaluation and help making a plan for when you are ready to leave.*

### Mental Health Providers/Therapy Services

*Individual counseling and med management.*

### Shelter Services – Adults and Children

*A temporary, safe place to stay.*
