---------------------	--

Definitions

Community Drop-In Services

Serves those who have experienced mental/emotional problems; a comfortable environment within the community where individuals feel safe, supported, and accepted; the center can help individuals work on developing social and life skills by supplying the resources needed for them to lead their own recovery.

Supported Community Living Programs

Assistance with learning skills such as cooking, cleaning and money management. These skills are taught one on one, in your home and in the community.

Mobile Crisis Services

Teams of professionals provide on-site, face-to-face mental health services for an individual or family experiencing a mental health crisis. They can respond wherever the crisis is occurring – in an individual's home, the community, or other locations where an individual lives, works, attends school, or socializes.

Residential Based Crisis Stabilization

A place to stay during a mental health crisis. Private rooms are provided, as well as therapy, medication evaluation and help making a plan for when you are ready to leave.

Mental Health Providers/Therapy Services

Individual counseling and med management.

Shelter Services – Adults and Children

A temporary, safe place to stay.
